A ANNUAL REPORT ELECTION AND EMAIL NOTIFICATION

The Company's full Annual Report is available on-line at our website www.linkmarketservices.com. As part of our aim to continually improve shareholder services, we are pleased to announce that internet-capable shareholders can now elect to not receive a hard copy of the annual report and instead be notified by email as soon as the Annual Report is available on-line.

The benefits to shareholders are in the potential cost savings and the faster delivery of information. The benefits for our environment are also substantial. If you are happy with your current choice you don't need to do anything and you will continue to receive a hard copy of the full Annual Report unless you have specifically requested to be sent the Financial Statements only.
